LEASE AGREEMENT

This Lease Agreement is dated as of December 29, 1987, and is between The Connecticut National Bank, a national banking association, acting hereunder not in its individual capacity but solely as owner trustee under the Owner Trust Agreement (the "Lessor"), and Massachusetts Bay Transportation Authority, a body politic and corporate and a political subdivision of The Commonwealth of Massachusetts (the "Lessee").

The Lessor and the Lessee agree as follows:

ARTICLE 1

DEFINITIONS

1.1. Certain Terms. The capitalized terms used herein which are defined in, or by reference in, Schedule X annexed hereto and by this reference incorporated herein, as such capitalized terms may be amended from time to time in accordance with Section 21.1, shall have the meanings specified therein whether or not such terms are defined herein.

1.2. Rules of Construction. Words of the masculine and feminine genders shall be deemed and construed to include the neuter gender. Unless the context otherwise indicates, the singular number shall include the plural number and vice versa, and words importing persons shall include corporations and associations, including public bodies, as well as natural persons. Whenever reference is made in this Lease to any agreement, instrument or document, the same shall (unless the context otherwise requires) mean and refer to such agreement, instrument or document as amended and in effect at the relevant time of reference thereto.

ARTICLE 2

ACCEPTANCE UNDER PURCHASE AGREEMENT AND LEASE; PURCHASE OPTION; RENEWAL OPTION; APPRAISALS

2.1. Acceptance Under Purchase Agreement and Lease.

(a) The Lessor, subject to there having been made available to the Lessor funds sufficient for full payment of Lessor's Cost for such items of Equipment in accordance with the terms of Section 2 of the Participation Agreement and satisfaction or waiver of the conditions set forth in Section 5 of the Participation Agreement, hereby agrees to accept

delivery from the Lessee pursuant to the Warranty Bill of Sale and pay the Lessee for each item of Equipment delivered by the Manufacturer to the Lessee pursuant to the Purchase Agreement on or before the Delivery Date and to simultaneously lease the same to the Lessee hereunder. The Lessee, subject to the satisfaction or waiver of the conditions set forth in Section 6 of the Participation Agreement applicable to the Lessee, hereby agrees, expressly for the direct benefit of the Original Owner Participant and the Original Noteholder, to simultaneously lease on the Delivery Date from the Lessor hereunder, such items of Equipment, which shall have been accepted by the Lessee hereunder as evidenced by the execution by the Lessor and the Lessee of a Lease Supplement leasing such items of Equipment hereunder, provided that the Lessor and the Lessee shall have no further obligation hereunder with respect to any items of Equipment if the Delivery Date shall not have occurred on or before December 31, 1987.

(b) The Lessee hereby agrees to (i) accept and pay for the Equipment pursuant to the Purchase Agreement on or before the Delivery Date and (ii) sell and transfer the Equipment to the Lessor on the Delivery Date. Such sale and transfer to the Lessor shall be made by the execution and delivery of a bill of sale in the form of Exhibit L to the Participation Agreement.

2.2. Return.

(a) Unless the Lessee exercises its purchase and/or renewal option pursuant to Sections 2.3 and 2.5, at the expiration of the Basic Term or upon the earlier termination of this Lease, the Lessee shall, at its own risk and expense, return items of Equipment then subject to this Lease to the Lessor at storage facilities of the Lessee designated by the Lessee, but reasonably satisfactory to the Lessor, and, at the expiration of the Renewal Term or upon the earlier termination of this Lease subsequent to the expiration of the Basic Term, the Lessee shall so return such items of Equipment then subject to this Lease.

(b) Upon any return of any item of Equipment to the Lessor, the Lessee shall deliver to the Lessor all logs, manuals, certificates, data and inspection, modification and overhaul records which have been maintained with respect to such item of Equipment.

(c) The Equipment at the time when it is returned to the Lessor at the end of the Basic Term or the Renewal Term, or pursuant to Section 13, shall be in good operating condition and appearance, ordinary wear and tear excepted, shall be in the configuration and condition required by Sections 5 and 6, shall meet the standards then in effect under the Interchange

Rules of the Association of American Railroads (if applicable) and/or the applicable rules of any governmental agency or other organization having jurisdiction, and shall be free and clear of all Liens and all rights, claims and interests of others, excepting Lessor Liens and the Lien of the Indenture.

(d) Upon the expiration or termination of the lease of any item of Equipment hereunder, the Lessee will provide storage and insurance for such Equipment beyond the term of the Lease, for a period not exceeding 90 days, at the Lessor's risk and (except with respect to storage charges) expense.

(e) Subject to and without diminution of the Lessee's obligations under Section 2.2(d) or any other provision of this Lease, upon the expiration or termination of the lease of any item of Equipment hereunder but prior to the later of the return of such item of Equipment or the expiration of any period during which such item of Equipment is stored pursuant to Section 2.2(d), the Lessee shall, upon the Lessor's written request, perform such work on such item of Equipment as the Lessor may reasonably request, to the extent reasonably possible without disruption to the Lessee's normal operations or its preexisting commitments (if any); provided, however, that the foregoing shall not be construed to extend the Lessee's storage obligation beyond the 90 days referred to in Section 2.2(d). The Lessor shall reimburse the Lessee for such work at reasonable rates.

(f) If the Lessor shall so request, the Lessor and Lessee shall hire an inspector acceptable to each of them (the "Inspector") to determine whether or not one or more item or items of Equipment are in the condition required by Section 5.1 hereof upon the expiration or termination of the lease thereof, provided, that the Lessor shall make such request within 20 days after such item is returned to the Lessor. If the Inspector determines that any item of Equipment was not in compliance with Section 5.1 hereof upon such expiration or termination the Lessee shall (x) as promptly as practicable and at its own cost cause such item so to comply in the opinion of the Inspector and (y) pay to the Lessor a sum equal to the per diem equivalent of the average Basic Rent payable during the Basic Term or, if the Lessee shall have renewed this Lease pursuant to Section 2.5 hereof, the Renewal Rent payable during the Renewal Term for each item of Equipment not so complying from the date of the return of such item to the Lessor until such item of Equipment is determined to be in compliance by the Inspector. The Lessor shall pay a portion of the fees and expenses of the Inspector equal to the fraction, the denominator of which is the aggregate Lessor's Purchase Price of all items of Equipment so inspected and the numerator of which is the aggregate Lessor's Purchase price of all such

items found to be in compliance with Section 5.1 and the Lessee shall pay the balance of such fees and expenses.

2.3. Purchase Option. Not fewer than 270 days prior to the end of the Basic Term or the Renewal Term, as the case may be, the Lessee may deliver to the Lessor a written notice of the Lessee's tentative interest to purchase at the end of the Basic Term or the Renewal Term, as the case may be, all (but not less than all) items of Equipment then subject to this Lease at a price equal to the lesser of (i) 50% of Lessor's Purchase Price of such items of Equipment (the "Purchase Equipment") and (ii) the fair market sales value thereof determined as provided below. The fair market sales value of the Purchase Equipment shall be determined in accordance with the procedures set forth in Sections 2.4 and 2.6. On or prior to the earlier of the day which is (i) 180 days before the end of the Basic Term or the Renewal Term, as the case may be, and whether or not the fair market sales value of the Purchase Equipment has been determined as provided in Section 2.6, or (ii) 45 days after determination of the fair market sales value of the Purchase Equipment as provided in Section 2.6, the Lessee may deliver to the Lessor a further written notice finally electing to purchase the Purchase Equipment in accordance with its previous tentative election, and such election shall be irrevocable. At the end of the Basic Term or the Renewal Term, as the case may be, if the Lessee has elected to purchase the Equipment as aforesaid and there is no Default or Event of Default hereunder, the Lessor shall Transfer the Purchase Equipment to the Lessee against payment by the Lessee of the purchase price in same day funds and at the expense of the Lessee, the Lessor shall execute and deliver such documents evidencing such sale and Transfer as the Lessee shall reasonably request, but, in any event, by Bill of Sale providing that the Purchase Equipment is transferred and conveyed "AS IS, WHERE IS". THE LESSOR HAS NOT MADE AND SHALL NOT MAKE ANY REPRESENTATION, WARRANTY OR COVENANT, EXPRESS OR IMPLIED, WITH RESPECT TO THE MERCHANTABILITY, CONDITION, QUALITY, DURABILITY, DESIGN, OPERATION, FITNESS FOR A PARTICULAR PURPOSE OR USE, OR SUITABILITY OF THE PURCHASE EQUIPMENT, AND SHALL TRANSFER ALL OF ITS RIGHT, TITLE AND INTEREST, IF ANY, IN SUCH ITEMS OF EQUIPMENT TO THE LESSEE "AS IS, WHERE IS" WITHOUT WARRANTY, EXPRESS OR IMPLIED, except that the Lessor will warrant to the Lessee that the Purchase Equipment is free and clear of Lessor Liens.

2.4. Fair Market Sales Value. For purposes of this Article 2 and Sections 10.1(b) and 13(d), the "fair market sales value" of the Equipment, or any item, as of any date shall be the cash price that would be obtained in an arm's-length transaction between an informed and willing buyer (but not including a used equipment dealer or buyer of scrap)

under no compulsion to buy, and an informed and willing seller under no compulsion to sell. Fair market sales value shall not include the cost of removal or delivery of the Equipment. In determining fair market sales value, it shall be assumed that the Lessee has complied with all of the terms, provisions and conditions of this Lease and that the Equipment is in the condition and configuration required upon return to the Lessor.

2.5. Renewal Option; Fair Market Rental Value. (a) Not fewer than 270 days prior to the end of the Basic Term, the Lessee may deliver to the Lessor a written notice of the Lessee's tentative interest to renew the Lease as to all (but not less than all) of the items of Equipment ("Renewal Equipment") then subject to this Lease for five years at rent equal to the fair market rental value thereof. Such Renewal Term shall commence upon the expiration of the Basic Term. The fair market rental value of the Renewal Equipment shall be determined in accordance with the procedures set forth in Section 2.6. On or prior to the earlier of the day which is (a) 180 days before the end of the Basic Term and whether or not the fair market rental value of the Renewal Equipment has been determined as provided in Section 2.6 or (b) 45 days after determination of the fair market rental value of the Renewal Equipment as provided in Section 2.6, the Lessee may deliver to the Lessor a further written notice finally electing to lease the Renewal Equipment in accordance with its previous tentative election, and such election shall be irrevocable. At the end of the Basic Term, if (i) the Lessee has finally elected to lease the Renewal Equipment as aforesaid, (ii) there is no Default or Event of Default hereunder (unless the Lessor, in its sole discretion, shall have waived this condition) and (iii) a new contract for financial assistance with respect to Renewal Rent substantially in the form of the Contract for Financial Assistance shall have been duly authorized, executed and delivered by the Commonwealth and the Lessee and shall be in full force and effect and an executed counterpart thereof shall have been delivered to the Lessor and the Lessee shall have duly authorized, executed and delivered a new Lessee's assignment substantially in the form of the Lessee's Assignment and such new Lessee's assignment shall be in full force and effect, then the Lease shall be renewed for the Renewal Term with respect to the Renewal Equipment. The Lessee shall pay Renewal Rent with respect to the Renewal Term in ten consecutive semiannual installments in arrears on each Rent Payment Date, commencing July 1, 2013, during the Renewal Term. During the Renewal Term, Stipulated Loss Value will at all times be, with respect to any item of Equipment, an amount determined by multiplying the Lessor's Purchase Price thereof by 35%.

(b) The appraiser(s) shall pursuant to Section 2.6 determine the fair market rental value of the Renewal Equipment on the basis of arm's-length negotiations between an informed and willing lessor and an informed and willing lessee under no compulsion to lease equipment comparable to that being appraised and not subject to the Lease and upon the assumption that such comparable equipment is in the condition and configuration in which the Renewal Equipment is required to be upon return to the Lessor under this Lease and is located at the then present location of the Renewal Equipment ready for delivery. In determining the fair market rental value of the Renewal Equipment, the appraiser(s) shall also take into account the fair market sales value of the Renewal Equipment, the number of years of its remaining useful life, the time value of money and such other factors (not including rental rates under this Lease) as the appraiser(s) may deem appropriate.

2.6. Appraisal Procedure. The fair market sales value of the items of Purchase Equipment in question or the fair market rental value of the Renewal Equipment in question, as the case may be, shall be mutually agreed upon by the parties to this Lease. Upon the determination by either party to this Lease that it and the other party to this Lease are unable to agree upon such fair market sales or rental value, such party (which party shall be the Lessee in the event the Lessor and the Lessee have been unable to agree on such fair market sales or rental value by the day which is 180 days before the end of the Basic Term or Renewal Term, as the case may be) shall deliver to the other party a written notice appointing a recognized independent appraiser to determine such fair market sales or rental value. Within 30 days after receipt of such written notice from one party to this Lease, the other party hereto shall deliver to such party a written notice appointing a recognized independent appraiser selected by such other party to determine such fair market sales or rental value. The two appraisers so appointed shall meet promptly to determine such fair market sales or rental value of the Equipment (or in the event a party fails to appoint an appraiser within 30 days, such determinations shall be made promptly, and in any case within the next 20 days, by the appraiser appointed by such other party). If two appraisers are selected by the Lessor and the Lessee, and, within 30 days after the appointment of the second appraiser, the two appraisers shall be unable to agree upon such fair market sales or rental value, a third recognized independent appraiser shall be chosen within five days thereafter by the mutual consent of such first two appraisers or if such first two appraisers fail to agree upon the appointment of a third appraiser within such five-day period, such appointment shall be made by the American Arbitration Association. The decision of the third appraiser so appointed

and chosen shall be given within a period of 30 days after the selection of such third appraiser. Any decision in which the first two appraisers so appointed and acting hereunder concur (or, in the event that a second appraiser is not appointed as provided in this Section 2.6, the decision of the first appraiser appointed pursuant to this Section 2.6) shall in all cases be binding and conclusive upon the Lessor and the Lessee and, in the event that a third appraiser is appointed as aforesaid, the appraisal of such third appraiser shall in all cases be binding and conclusive on the Lessor and the Lessee. In any appraisal pursuant to Sections 2.3, 2.5 and 10.1(b), the Lessor and the Lessee each shall pay the fees and expenses of the appraiser appointed by it and shall share equally the fees and expenses of the third appraiser, if any. In any appraisal pursuant to Section 13(d), the fees and expenses of all appraisers appointed hereunder shall be paid by the Lessee.

The Lessee will not allow the name of any Person other than the Lessor and the Indenture Trustee to be placed on any item of Equipment leased hereunder as a designation that might be interpreted as a Lien thereon or as a claim of ownership; provided, that the Lessee may cause the Equipment leased hereunder to be lettered and otherwise marked in an appropriate manner for convenience of identification of the interest therein of the Lessee or of any sublessee permitted under Section 4.2.

The Lessee will not change the MBTA Vehicle Identification Number of any item of Equipment unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Lessor and the Indenture Trustee and filed, recorded and deposited by the Lessee in all public

offices where this Lease shall have been filed, recorded and deposited and (ii) the Lessee shall have furnished to the Lessor and the Indenture Trustee an opinion of counsel to the effect that such statement has been so filed, recorded and deposited, such filing, recordation and deposit will protect the Lessor's and the Indenture Trustee's interest in such item and no filing, recording, deposit or giving notice with or to any other Federal, state or local government or agency thereof is necessary to protect the interests of the Lessor and the Indenture Trustee in such item.

(b) The Lessee will promptly and duly execute and deliver such further documents and assurances and take such further action as the Lessor or the Indenture Trustee may from time to time during the term of this Lease reasonably request or as may be necessary or appropriate in order more effectively to carry out the intent and purpose of this Lease (and, so long as any Notes are outstanding, the Indenture) and to establish and protect the rights and remedies created or intended to be created in favor of the Lessor or the Indenture Trustee, including, without limitation, at the expense of the Lessee, the execution and delivery of supplements or amendments hereto and thereto, in recordable form, subjecting any replacement or substituted Equipment to this Lease and the recording or filing of counterparts hereof, or of financing or continuation statements with respect hereto, in accordance with the laws of such jurisdictions as the Lessor may reasonably deem advisable.

(c) The Lessee agrees, for the benefit of the Lessor and the Owner Participants, to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each item of Equipment) with all laws of the jurisdictions in which its operations involving the items of Equipment may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the items of Equipment, to the extent that such laws and rules are applicable to Lessee and affect the title, operation or use of the items of Equipment or are necessary to comply with health, safety or environmental standards as more fully described in Section 4(4) of the Internal Revenue Service Rev. Proc. 75-21, as modified by Rev. Proc. 79-48, and in the event that such laws or rules require any alteration, replacement or addition of or to any part of any item of Equipment, the Lessee will conform therewith at its own expense; provided, however, that the Lessee may at its own expense, in good faith, contest the validity or application of any such law or rule in any reasonable manner if in the reasonable opinion of the Lessor or

the Owner Participants, such contest will not adversely affect the property or rights of the Lessor or the Owner Participants under this Lease.

4.2. Possession; Sublease. The Lessee will not, without the prior written consent of the Lessor, which consent shall not be unreasonably withheld, sublease or otherwise in any manner deliver, transfer or relinquish possession of any item of Equipment, except that so long as (i) no Event of Default shall have occurred and be continuing, (ii) the action to be taken shall not adversely affect the Lien of the Indenture on the Equipment, (iii) the action to be taken will not result in the Equipment becoming property used predominantly outside the United States (within the meaning of Code Section 168(g)(1)(A), Treasury Regulation § 1.167(a)-11(b)(4) or Revenue Procedure 83-35, 1983-1 C.B. 745) and (iv) the Participants shall have received an opinion of the Lessee's general counsel or Palmer & Dodge or Goodwin, Procter & Hoar or other counsel to the Lessee reasonably acceptable to the Participants that the Contract Assistance Provisions and the Contract for Financial Assistance remain in full force and effect notwithstanding such sublease, delivery, transfer or relinquishment of possession of such item of Equipment (except as provided in (b) below):

(a) transfer possession of any item of Equipment for delivery thereof to the manufacturer thereof for testing or other similar purposes or to any organization for service, repair, maintenance or overhaul work on such item of Equipment, or any Part thereof, or for alterations or modification in or additions to such item of Equipment to the extent required or permitted by the terms of Article 6; or

(b) with the prior approval of (x) the holders of at least 90% in aggregate principal amount of the Notes then outstanding and (y) 90% in interest of the Owner Participants, sublease any item of Equipment, provided that any such sublease is not a Disqualifying Event;

provided that: (1) the rights of any transferee who receives possession by reason of a transfer permitted by this Section 4.2 shall be subject and subordinate to, and any sublease permitted by this Section 4.2 shall be made expressly subject and subordinate to, all the terms of this Lease and the Indenture including surrender of possession of each item of Equipment upon a termination of this Lease and the right to repossession pursuant to Article 13 and the avoidance of such sublease upon such repossession, (2) the Lessee shall remain primarily liable hereunder for the performance of and compliance with all of the terms and provisions of this Lease to the same extent as if such sublease or transfer had not

occurred and (3) without limiting the effect of the preceding clause (2), any such sublease shall include appropriate provisions (whether by requiring such obligations to be performed by the sublessee, the Lessee, or both) for the operation, maintenance and insurance of any item of Equipment subleased thereby in accordance with the terms hereof.

4.3. Reports by Lessor. The Lessee will prepare and deliver to the Lessor and the Owner Participants within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor and the Owner Participants) any and all reports (other than income tax returns) to be filed by the Lessor with any Federal, state or other regulatory authority by reason of the ownership by the Lessor or the Owner Participants of the items of Equipment or the leasing thereof to the Lessee.

ARTICLE 5

MAINTENANCE AND OPERATION OF EQUIPMENT; REPLACEMENT OF PARTS

5.1. Maintenance. During the Lease Term and the storage period referred to in Section 2.2(d), the Lessee, at its sole cost and expense, shall maintain, inspect, service, repair, overhaul and test, or cause the same to be done to, each item of Equipment so as to keep such item of Equipment in good operating condition, ordinary wear and tear excepted, and in conformity with the operating, running, maintenance and heavy repair manuals, instructions and service bulletins furnished by the Manufacturer or by any subcontractor or supplier of the Manufacturer and in accordance with the Lessee's standard practices for similar equipment (including, without limitation, the Lessee's maintenance program for the Equipment, as from time to time in effect). The Lessee shall maintain all records, logs and other materials required by all governmental authorities to be maintained in respect of the Equipment and shall promptly furnish to the Lessor upon the Lessor's request such information as may be required to enable the Lessor to file any reports required to be filed with any governmental authority as a result of the Lessor's interest in the Equipment.

5.2. Operations.

(a) The Lessee shall not permit any item of Equipment to be maintained, serviced, repaired, overhauled, tested, used or operated in violation of any law or any rule, regulation or order of any governmental authority having jurisdiction, or in violation of any license or regulation relating to any item of Equipment issued by any such authority; provided, that the

Lessee may in good faith (after having delivered to the Lessor and the Indenture Trustee an Officer's Certificate stating the facts with respect thereto) contest the validity thereof in any reasonable manner which does not adversely affect the Lessor or the interests of the Noteholders or jeopardize the Lien of the Indenture and which is consistent with and does not impair the continuance in full force and effect of any insurance required to be maintained pursuant to Article 9. In the event that any such law, rule, regulation or order requires alteration of any item of Equipment, the Lessee will conform thereto or obtain conformance therewith at no expense to the Lessor and will maintain such item of Equipment in proper operating condition under such laws, rules, regulations and orders; provided, that the Lessee may in good faith (after having delivered to the Lessor and the Indenture Trustee an Officer's Certificate stating the facts with respect thereto) contest the validity thereof in any reasonable manner which does not adversely affect the Lessor or the interests of the Indenture Trustee or the Noteholders or jeopardize the Lien of the Indenture and which is consistent with any insurance required to be maintained pursuant to Article 9.

The Lessee agrees that (i) it will not operate or locate any item of Equipment, or suffer any item of Equipment to be operated or located, in any area or on any route or in any manner excluded from coverage by any insurance required by the terms of Article 9 or which might impair the Lien of the Indenture and (ii) it will not operate the Equipment if any Event of Default under Article 12(d) shall have occurred and be continuing.

(b) The Lessor agrees to take such reasonable actions as may be appropriate to comply at the Lessee's request and expense with all laws, rules and regulations applicable to the Lessor and necessary to maintain the operation of the Equipment to the extent that such actions cannot be taken by the Lessee on behalf of the Lessor.

(c) The Lessor shall not operate the Equipment in a manner that would result in the Equipment becoming property used predominantly outside the United States (within the meaning of Code Section 168(g)(1)(A), Treasury Regulation § 1.167(a)-11(b)(4) or Revenue Procedure 83-35, 1983-1 C.B. 745)

5.3. Replacement of Parts. The Lessee, at its sole cost and expense, will promptly replace all Parts which may from time to time become worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or permanently rendered unfit for use for any reason whatsoever. In addition, the Lessee may, at its sole cost and expense, remove in the ordinary course of maintenance, service, repair, overhaul or

testing, any Parts, whether or not worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or permanently rendered unfit for use, provided that the Lessee will at its sole cost and expense replace such Parts as promptly as possible. All replacement Parts immediately prior to installation on the Equipment shall be free and clear of all Liens (except for Permitted Liens) and shall be in as good operating condition as, and shall have a value and utility at least equal to, the Parts replaced, assuming such replaced Parts were in the condition and repair required to be maintained by the terms hereof; provided, that the Lessee shall have the right to install temporary replacement Parts pending completion of permanent repairs or installation of permanent replacement Parts, in which event the Lessee shall install permanent replacement Parts to meet such requirements as soon as reasonably possible and in any event prior to the termination of the Lease Term. Subject to Article 6, all Parts at any time removed from any item of Equipment shall remain the property of the Lessor and subject to this Lease, no matter where located, until such time as such Parts shall be replaced by Parts which have been incorporated or installed in or attached to the item of Equipment from which such replaced Parts were removed and which meet the requirements for replacement Parts specified above. Immediately upon any replacement Part becoming incorporated or installed in or attached to such item of Equipment as above provided, without further act, (a) title to such replacement Part shall thereupon vest in the Lessor, (b) such replacement Part shall become subject to this Lease and be deemed part of such item of Equipment for all purposes hereof to the same extent as the Part originally incorporated or installed in or attached to such item of Equipment and (c) title to the replaced Part shall thereupon vest in the Lessee, free and clear of all rights of the Lessor, and shall no longer be deemed a "Part" hereunder. The Lessee, at its sole cost and expense, will take such action as may be necessary or appropriate to create, maintain or preserve the Lien of the Indenture with respect to such replacement Parts.

ARTICLE 6

ALTERATIONS, MODIFICATIONS AND ADDITIONS

The Lessee, at its sole cost and own expense, will make such alterations and modifications in and additions to the Equipment as may be required from time to time (regardless upon whom such requirements are by their terms nominally imposed) to meet all requirements of Applicable Law; provided, that Lessee may in good faith (after having delivered to the Lessor an Officer's Certificate stating the facts with respect thereto)

contest the validity of such requirements in any reasonable manner which does not adversely affect the Lessor or the interests of the Indenture Trustee or the Noteholders or jeopardize the Lien of the Indenture and which is consistent with and does not impair the continuance in full force and effect of any insurance required to be maintained pursuant to Article 9. In addition, the Lessee, at its own expense, may from time to time make such alterations and modifications in and additions to any item of Equipment as the Lessee may deem desirable in the proper conduct of its business, including removal of Parts (herein called "Obsolete Parts") which the Lessee deems obsolete or no longer appropriate or suitable for use in the Equipment; provided (a) that no such alteration, modification, removal or addition changes the basic use or function of the Equipment or diminishes the value, utility or condition of such item of Equipment below the value, utility and condition thereof immediately prior to such alteration, modification, removal or addition if such item of Equipment were then in the condition required to be maintained by the terms of this Lease and (b) that each such alteration, modification, removal and addition is done in compliance with the Advance Ruling Guidelines of the Internal Revenue Service set forth in Revenue Procedures 75-21 and 79-48. Except as otherwise set forth in the next succeeding sentence, title to all appliances, parts, instruments, appurtenances, accessories, furnishings and other equipment of whatever nature (the "Additions") incorporated or installed in or attached to or added to such item of Equipment as the result of such alteration, modification or addition shall, without further act, vest in the Lessee if the Additions can be readily removed from such item of Equipment without diminishing or impairing the value, utility or condition which such item of Equipment would have had at such time had the alteration, modification, or addition not occurred. Title to (i) all Additions which cannot be so removed, (ii) replacement Parts specified in Section 5.3, (iii) any and all parts installed on and additions and replacements made to any item of Equipment which are required for the operation or use of such item of Equipment by the Interchange Rules of the Association of American Railroads (if applicable) or by the applicable regulations of the Department of Transportation, the Interstate Commerce Commission or any other applicable regulatory body, and (iv) Additions intended to enhance the performance or operation of any item of Equipment shall, without further act, vest in the Lessor and become subject to this Lease, provided, that so long as no Default or Event of Default shall have occurred and be continuing, the Lessee may, at any time during the Lease Term, remove any Addition from such item of Equipment, provided that (a) such Addition is in addition to, and not in replacement of or substitution for, any such item of Equipment, (b) such Addition is not required to be incorporated or installed in or

attached or added to such item of Equipment pursuant to the terms of Section 5.1 or Section 5.3 or the first sentence of this Article 6, and (c) such Addition can be readily removed from such item of Equipment without diminishing or impairing the value, utility or condition which such item of Equipment would have had at such time had such alteration, modification, or addition not occurred. Upon the removal by the Lessee of any Addition as above provided, title thereto shall, without further act, vest in the Lessee and such Addition shall no longer be deemed a "Part" hereunder. Any Addition not removed by the Lessee as above provided prior to the return of such item of Equipment to the Lessor hereunder shall remain the property of the Lessor.

The Lessor shall not bear any liability or cost for any alteration, modification or addition to any item of Equipment.

ARTICLE 7

LIENS

The Lessee will not directly or indirectly create, incur, assume or suffer to exist any Lien on or with respect to any item of Equipment, title thereto or any interest therein or in this Lease or the Rent or any other payments provided for hereunder except Permitted Liens. The Lessee will promptly, at its own expense, take such action as may be necessary duly to discharge any Lien not excepted above if the same shall arise at any time.

The Lessor agrees that it will not (except as contemplated by this Lease, Section 11 of the Participation Agreement or the Indenture) sell, transfer or otherwise dispose of any item of Equipment or interest therein; provided, however, that the Lessor may enter into an agreement, subject to the Lessee's rights under Article 2, to sell or lease any item of Equipment, such sale to take place or lease to commence after the end of the Lease Term with respect to such item of Equipment.

ARTICLE 8

RENT; LESSEE COVENANTS

8.1. Interim and Basic Terms.

(a)(1) The Lessee shall pay Lessor rent with respect to the Interim Term in arrears on the first Rent Payment Date in an amount computed at the daily rate of .0213001% of Lessor's Purchase Price.

(a)(2) The Lessee shall pay Basic Rent with respect to the Basic Term in semiannual installments on each Rent Payment Date for which a payment is indicated on Schedule 1 during the Basic Term, such installments will be payable in arrears through the installment due July 1, 1997, which installment will be partly in arrears and partly in advance, and from January 1, 1998 and thereafter installments will be payable in advance. Subject to adjustment as provided in this Section 8.1, Sections 8.5 and 8.6 and the Tax Indemnity Agreement, each installment shall be in an amount equal to the applicable percentage as set forth in Schedule 1 of the Lessor's Purchase Price for those items of Equipment that are subject to this Lease on such Rent Payment Date.

The percentages set forth in Schedule 1 and in Exhibit B assume that Lessor's Cost will be equal to 101.5% of Lessor's Purchase Price. If the Lessor shall pay (or shall become obligated to pay or cause to be paid) an amount in excess of or less than 1.5% of Lessor's Purchase Price as payment of Transaction Costs (any amount in excess of 1.5% paid or so to be paid by the Lessor described in this clause is referred to herein as an "Additional Investment"; any amount less than 1.5% paid or so to be paid by the Lessor described in this clause is referred to herein as a "Reduced Investment"), then in such case (but subject to Section 8.2) the percentages relating to Stipulated Loss Value and Basic Rent will be appropriately adjusted on July 1, 1988 (and from time to time thereafter, if necessary) by such amount or amounts as shall be necessary to preserve the Net Economic Return. If the Lessor shall make an Additional Investment or Reduced Investment as described above, the Lessor shall (a) notify the Lessee in writing of the occurrence of such event, (b) provide the Lessee with revised percentages to be set forth in Schedule 1 and in Exhibit B, (c) confirm in writing to the Lessee (certified by an officer of each Owner Participant) that the same assumptions and methods of computation employed in the original calculations of Stipulated Loss Value and Basic Rent were used in computing such revised percentages and (d) describe in reasonable detail and in writing the calculations and bases of computing such revised percentages. Promptly upon such confirmation, the Lessor and the Lessee shall enter into a Lease Supplement providing for an adjustment in the percentages set forth in Schedule 1 and in Exhibit B pursuant to this Section 8.1. In the event the Lessee believes that such revised percentages were not correctly computed by or on behalf of the Lessor (including, without limitation, the belief that the assumptions and methods used in calculating such revised percentages are not the same as those employed in the original calculations of Stipulated Loss Value and Basic Rent), any conflict between the Lessor and the Lessee shall be resolved by an independent accounting firm in accordance with the procedures described in

Section 6(e) of the Tax Indemnity Agreement. The fees and expenses of such procedure shall be paid as follows: (1) if the computations provided by such accounting firm are different from the Lessor's computations and if the difference results in a 5% increase in Stipulated Loss Values or Basic Rent in favor of the Lessor, such fees and expenses shall be borne by the Owner Participants, provided, that if the Owner Participants fail to pay such fees and expenses, the Lessee shall pay them and no adjustments from the percentages originally computed by or on behalf of the Lessor shall be made; and (2) if the computations provided by such accounting firm are different from the Lessor's computations and if the difference is in favor of the Lessee computed on a present value basis (discounted at 10%, compounded semi-annually), such fees and expenses shall be borne (i) by the Owner Participants if such difference in favor of the Lessee equals or exceeds 2% of the present value (so computed) of the computations provided by or on behalf of the Lessor, or (ii) otherwise by the Lessee and (3) if the computations provided by such accounting firm are the same as the Lessor's computations, such fees and expenses shall be borne by the Lessee.

The Effective Lease Rate computed on the basis of the payments of Basic Rent determined as of the Delivery Date, will be set forth in the Lease Supplement to be delivered on the Delivery Date.

(b) All amounts received by the Lessor pursuant to Section 3(d)(iv) of the Purchase Agreement Assignment shall be applied pro rata in reduction of the Lessor's Purchase Price of each item of Equipment. In the case of such adjustment of the Lessor's Purchase Price, Basic Rent and Stipulated Loss Value percentages shall be adjusted as shall be necessary to preserve the Owner Participants' Net Economic Return, using the procedures set forth in Sections 8.1(a) and 8.6 as certified to the Lessor by the Owner Participants.

8.2. Payment of Rent and Stipulated Loss Value. Anything contained in this Lease or the Tax Indemnity Agreement to the contrary notwithstanding, (x) each payment of Basic Rent payable on each Rent Payment Date shall in no event be less than the installment of principal and interest due and payable on the Notes on such Rent Payment Date, and (y) each payment of Stipulated Loss Value together with interest payable thereon pursuant to Article 10 shall in no event be less than the principal amount of the Notes to be redeemed, and interest due and payable thereon, on the date of payment thereof (after giving effect to any installment of Basic Rent paid on such date). The Lessee shall pay all Rent hereunder free and clear of all Taxes with respect to which the Lessee is required to pay an indemnity pursuant to Section 8.2 of the Participation

Agreement so that in no event shall any payment of Rent be less than the amount which would have been paid had no such Taxes been imposed.

8.3. Supplemental Rent; Interest on Overdue Rent. In addition to its obligation to pay Basic Rent and Renewal Rent hereunder, the Lessee shall pay to the Lessor or to whoever shall be entitled thereto any and all Supplemental Rent as and when the same shall become due and owing, and, in the event of any failure on the part of the Lessee to pay any Supplemental Rent when the same shall become due and owing, the Lessor shall have all rights, powers and remedies provided for herein or at law or in equity or otherwise in the case of nonpayment of Basic Rent or Renewal Rent. The Lessee also agrees to pay to the Lessor, upon demand, as Supplemental Rent, to the extent not prohibited by Applicable Law, interest at the Overdue Interest Rate on (i) any part of any installment of Basic Rent and Renewal Rent not paid when due for each day for which the same shall be overdue, and (ii) any payment of Supplemental Rent (other than such interest) not paid when due for each day for which the same shall be overdue. The expiration or other termination of the Lessee's obligation to pay Basic Rent or Renewal Rent hereunder shall not limit or modify the obligations of the Lessee with respect to Supplemental Rent. All payments of Supplemental Rent that are required by any provision of the Operative Documents to be paid on an After-tax Basis shall have been calculated and shall be paid on an After-tax Basis.

8.4. Place of Payment of Rent; No Setoff, Counterclaim, Etc. So long as Notes shall be outstanding and to the extent provided therein and notwithstanding any provision hereof to the contrary, all Rent, except payments required by Sections 8.2 or 8.3 of the Participation Agreement and payments required by the Tax Indemnity Agreement, payable (and all amounts payable pursuant to the penultimate sentence of this Section 8.4) at any time when Notes shall be outstanding shall be paid by the Lessee to the Indenture Trustee at its office at Wilmington Trust Center, Rodney Square North, Wilmington, Delaware 19890, Attention: Corporate Trust Administration. Such payments shall discharge the obligations of the Lessee to the Lessor hereunder to the extent of such payments. Each such payment to the Indenture Trustee shall be accompanied by notice by the Lessee as to the provisions of the Lease pursuant to which such payment is being made. All Rent payable after receipt by the Lessee of written notice from the Indenture Trustee stating that the Indenture has been satisfied and discharged shall be paid by the Lessee to the Lessor at its office at 777 Main Street, Hartford, CT 06115, Attention: Corporate Trust Administration. Each Rent payment shall be

made by the Lessee in immediately available funds prior to 11:00 a.m. (Boston time) on the day when such payment is due.

The Lessee's agreement to pay all Rent shall be absolute and unconditional under any and all circumstances and shall not be affected by any circumstances of any character, including, without limitation, (i) any change, waiver, extension, indulgence or other action or omission in respect of any obligation or liability of the Lessor hereunder unless effected in compliance with the terms hereof and the Indenture, (ii) any setoff, counterclaim, recoupment, defense or other right which the Lessee may have against the Lessor, the Indenture Trustee, any Participant, the Manufacturer or any other Person for any reason whatsoever, (iii) any defect in the title, condition, design, operation or fitness for use or particular purpose of the Equipment or in the Lien of the Indenture Trustee on title to the Equipment, (iv) any loss or destruction of, or damage to, the Equipment or interruption or cessation in the use or possession thereof by the Lessee for any reason whatsoever and of whatever duration, (v) any restriction, prevention or curtailment of or interference with any use of the Equipment or any Part thereof, (vi) any insolvency, bankruptcy, reorganization or similar proceeding by or against the Lessee or the Lessor, (vii) any failure to obtain any required governmental consent for a transfer of rights or title to the Lessee or any other Person pursuant to Section 2.3 or Article 10, (viii) the invalidity or unenforceability of this Lease or any other infirmity herein or any lack of power or authority of the Lessor or the Lessee to enter into this Lease, (ix) any deprivation of the Lessee (by the Lessor or any other Person) of the peaceful and quiet occupation and enjoyment of any or all of the Equipment or any items or Part thereof, (x) any indemnity payment made by the Lessee, (xi) any breach or alleged breach by the Lessor of any representation, warranty or covenant made in connection with the transactions contemplated hereby or (xii) any other circumstances or happening whatsoever, whether or not similar to any of the foregoing. Each Rent payment (and each payment pursuant to the immediately succeeding sentence of this Section 8.4) made by the Lessee shall be final, and the Lessee will not seek to have any right to recover all or any part of such payment from the Lessor, the Indenture Trustee or any Participant for any reason whatsoever. If for any reason whatsoever this Lease shall be terminated in whole or in part by operation of law or otherwise except as expressly provided herein, the Lessee shall nonetheless pay to the Lessor an amount equal to each payment of Basic Rent hereunder at the time and in the manner that such payment would have become due and payable hereunder if the Lease had not been terminated in whole or in part until all payments of Basic Rent required by the terms of this Lease have been made. Nothing contained in this Section 8.4 shall be

construed to be a waiver, modification, alteration or release of any claim which the Lessee may have at any time for damages or equitable relief against the Lessor, the Manufacturer or any other Person.

8.5. Adjustments Due to Changes in Tax Law. The percentage of Lessor's Purchase Price constituting Basic Rent set forth in Section 8.1 has been calculated on the assumption that the Owner Participants will be entitled for Federal income tax purposes to depreciation deductions, amortization deductions and interest deductions as and to the extent contemplated by, and set forth in, Sections 2 and 5 of the Tax Indemnity Agreement. In the event that prior to January 1, 1988 there are any changes in the Code or the Regulations which would increase or decrease such tax attributes or the value to the Original Owner Participant of such attributes, the percentage of Lessor's Purchase Price constituting Basic Rent promptly shall be decreased or increased, as the case may be, as may be necessary to preserve the Net Economic Return.

In the event any adjustment to the percentage of Lessor's Purchase Price constituting Basic Rent is made pursuant to the terms of this Section 8.5, the Stipulated Loss Values and the description of the tax attributes contained in Sections 2 and 5 of the Tax Indemnity Agreement shall be revised to reflect such adjustment, but the Stipulated Loss Value on any date shall in no event be less than the principal amount of the Notes outstanding and interest due and payable thereon on the date of payment thereof (after giving effect to any installment of Basic Rent due on such date).

In all cases where Stipulated Loss Value and Basic Rent are adjusted pursuant to this Section 8.5, the Lessor will confirm in writing to the Lessee (certified by an officer of the Original Owner Participant) that the same assumptions and methods of computation employed in the original calculations of Stipulated Loss Value and Basic Rent were used in such adjustments and describe in reasonable detail and in writing the calculation and basis of computing such adjustments. In the event the Lessee believes such adjustments were not correctly computed by or on behalf of the Lessor (including, without limitation, the belief that the assumptions and methods used in calculating such adjustments are not the same as those employed in the original calculations of Stipulated Loss Value and Basic Rent), any conflict between the Lessor and the Lessee shall be resolved by an independent accounting firm in accordance with the procedures described in Section 6(e) of the Tax Indemnity Agreement. The fees and expenses of such procedure shall be paid as follows: (1) if the computations provided by such accounting firm are different from the Lessor's computations and if the difference results in a 5%

increase in Stipulated Loss Values or Basic Rent in favor of Lessor, such fees and expenses shall be borne by the Owner Participants, provided, that if the Owner Participants fail to pay such fees and expenses, the Lessee shall pay them and no adjustments from the percentages originally computed by or on behalf of the Lessor shall be made; and (2) if the computations provided by such accounting firm are different from the Lessor's computations and if the difference is in favor of the Lessee computed on a present value basis (discounted at 10%, compounded semi-annually), such fees and expenses shall be borne (i) by the Owner Participants if such difference in favor of the Lessee equals or exceeds 2% of the present value (so computed) of the computations provided by or on behalf of the Lessor, or (ii) otherwise by the Lessee and (3) if the computations provided by such accounting firm are the same as the Lessor's computations, such fees and expenses shall be borne by the Lessee.

8.6. Rent Adjustment. Anything herein to the contrary notwithstanding, if Basic Rent, as adjusted, payable on any Rent Payment Date would be less than the installment of interest and principal due and payable on the Notes on such Rent Payment Date, Basic Rent payable on such day will be increased to an amount at least equal to such installment, and the Lessor and the Lessee will, to the extent possible, make appropriate adjustments in other installments of Basic Rent (without, however, reducing any installment due on any Rent Payment Date to an amount less than the installment of interest and principal due and payable on the Notes on such Rent Payment Date), so as to provide to the Lessee and the Owner Participants the benefits they would have had (including the Owner Participants' Net Economic Return) if the provisions of Section 8.1 or Section 8.5, as appropriate, had been applied.

8.7. Covenants Regarding Contract Assistance. The Lessee shall, at all times until the Equipment shall have been returned or purchased, all other obligations of the Lessee under the Lease satisfied and the Notes paid in full, fully and promptly exercise all rights and pursue all claims and remedies which are available to the Lessee against the Commonwealth with respect to the payment by the Commonwealth of, or the reimbursement of the Lessee by the Commonwealth with respect to, Rent, including, without limitation, rights, remedies or claims from time to time possessed by the Lessee under the Contract for Financial Assistance or under Sections 12, 13 or 28 of Chapter 161A of the General Laws of the Commonwealth as now in force or as hereafter amended (such specific statutory provisions or other statutory provisions from time to time providing rights, claims or remedies in favor of the Lessee as against the Commonwealth with respect to Rent which are substantially equivalent thereto, collectively referred to

herein as the "Contract Assistance Provisions"). Without limitation to the foregoing, the Lessee agrees with the Lessor as follows:

(a) The Lessee shall in a timely fashion approve in its annual budget for each of its fiscal years an amount necessary to pay all Rent anticipated to be payable by the Lessee during such fiscal year;

(b) Promptly after becoming aware that the Rent payable hereunder in any fiscal year is or shall be greater than the Rent previously budgeted for such fiscal year, the Lessee shall prepare and approve a supplemental budget for such fiscal year covering the amount by which such aggregate actual amount of Rent exceeds such previously budgeted aggregate amount; and

(c) The Lessee will promptly submit to the Treasurer of the Commonwealth all reports, requests, certificates or other instruments required to obtain payment from the Commonwealth under the Contract Assistance Provisions and under the Contract for Financial Assistance.

If prior to any Rent Payment Date the Lessee has Actual Knowledge that it will be without funds sufficient to pay in full the Rent payment due on such Rent Payment Date, the Lessee shall immediately execute and deliver to the Treasurer of the Commonwealth a certification under Sections 12 or 13 of Chapter 161A of the General Laws of the Commonwealth calling for the payment by the Commonwealth to the Lessee of the net cost of service consisting of that portion of the Rent payment for which the Lessee lacks sufficient funds. If the Commonwealth does not promptly pay the amount so certified, the Lessee shall promptly and diligently proceed against the Commonwealth through the use of all appropriate judicial remedies to obtain payment of the amount so certified.

8.8. Additional Covenants.

(a) The Lessee will, promptly after having Actual Knowledge thereof, notify each Participant of any litigation or administrative or arbitration proceedings affecting the Equipment or affecting the Lessee or any of its other assets, which, if adversely decided would, either individually or in the aggregate, have a material and adverse effect on the ability of Lessee to perform its obligations under any Operative Document.

(b) The Lessee will use the Equipment in a sound and safe manner using due care at all times to maintain and operate the Equipment in accordance with applicable safety standards.

ARTICLE 9

INSURANCE

9.1. Public Liability and Property Damage Insurance. The Lessee at its sole cost and expense, will maintain or cause to be maintained at all times during the Lease Term and the storage period referred to in Section 2.2(d) public liability insurance including passenger legal liability, personal injury liability, contractual liability and property damage coverage. Such insurance shall be in such amounts and with such insurance companies as is consistent with prudent industry practice and acceptable to Lessor, and, in any event, subject to commercial availability; provided, however, that such insurance companies must have a Best rating of at least "B+" or, if not subject to Best rating, must be of financial strength comparable to that required for a Best "B+" rating; and provided further, that Lessor confirms that the insurance program outlined in the letter of Fred S. James Co. Inc. to Lessor dated December 29, 1987 is in amounts and with such insurance companies as is acceptable to Lessor. Such amounts shall not be less than such insurance coverage carried by similar commuter rail systems of comparable size. All such policies of insurance and all policies taken out in substitution or replacement of the required policies shall (i) name the Lessor, in its individual and fiduciary capacities, the Owner Participants (and any general partners thereof) and the Indenture Trustee, as additional insureds, as their respective interests may appear, (ii) provide that no cancellation (including for nonpayment of premium) or material change of coverage be effective until at least 30 days after notice thereof has been mailed to the Lessor, the Indenture Trustee and any other named insureds and (iii) provide that no breach of warranty on the part of the Lessee or other action of the Lessee shall impair the rights of the Lessor, Owner Participants or Indenture Trustee under such policies. If within the last five years of the Basic Term or any Renewal Term, insurance is obtained on a claims made basis, Lessee shall continue such coverage in force for three years following the expiration of the Lease Term with the Lessor, Owner Participants and Indenture Trustee remaining as additional insureds.

9.2. Insurance Against Loss or Damage to Equipment. The Lessee, without expense to the Lessor or other additional insureds, will maintain or cause to be maintained at all times during the Lease Term and the storage period referred to in Section 2.2(d) all-risk insurance covering loss or damage to the Equipment and Parts which is of such type, in such amounts and with such insurance companies as usually carried by similar commuter rail systems of comparable size and acceptable to Lessor, and, in any event, subject to commercial availability;

provided, however, that such insurance companies must have a Best rating of at least "B+" or, if not subject to Best rating, must be of financial strength comparable to that required for a Best "B+" rating and, provided further, that Lessor confirms that the insurance program outlined in the letter of Fred S. James Co., Inc. to Lessor dated December 29, 1987 is in amounts and with such insurance companies as is acceptable to Lessor. All policies carried in accordance with this Section 9.2 during the term of this Lease shall (a) name the Lessor and the Indenture Trustee as loss payees, as their interests may appear, (b) provide that no cancellation (including for nonpayment of premium) or material change of coverage be effective until at least 30 days after notice thereof has been mailed to the Lessor, the Indenture Trustee and any other loss payees and (c) provide that no breach of warranty by the Lessee or other action by the Lessee shall impair the rights of the Lessor or Indenture Trustee.

9.3. Application of Insurance Proceeds for Event of Loss. As between the Lessor and the Lessee it is agreed that all insurance payments received as the result of the occurrence of an Event of Loss with respect to an item of Equipment will be applied as follows (but subject to Section 9.5):

(a) unless such items of Equipment are replaced pursuant to Section 10.1(b), so much of such payments as shall not exceed the amounts due under Section 10.1(a) shall be applied in reduction of the Lessee's obligation to pay such amounts, if not already paid by the Lessee, or, if already paid by the Lessee, shall be applied to reimburse the Lessee for its payments of such amounts, and the balance, if any, of such payments remaining thereafter will be paid to the Lessee; and

(b) if such items of Equipment are replaced pursuant to Section 10.1(b), such payments shall be paid over to or retained by the Lessee, provided that the Lessee shall have fully performed or, concurrently therewith, will fully perform the terms of Section 10.1(b).

9.4. Application of Insurance Proceeds for Other Than Event of Loss. As between the Lessor and the Lessee, the insurance proceeds of any property damage loss to any Equipment not constituting an Event of Loss will be applied in payment (or to reimburse the Lessee) for repairs or for replacement property in accordance with the terms of Article 5, and (subject to Section 9.5) any balance remaining after compliance with such Article with respect to such loss shall be paid to, or retained by, the Lessee.

9.5 Application During Existence of Event of Default. Any amount referred to in Sections 9.3(a), 9.3(b) or 9.4 which is payable to the Lessee shall not be paid to the Lessee or, if it has been previously paid to the Lessee, shall not be retained by the Lessee, if at the time of such payment an Event of Default or a Default shall have occurred and be continuing. In such event, all such amounts shall be paid to and held by the Lessor as security for the obligations of the Lessee to make payments under the Participation Agreement or to pay Rent hereunder or, at the Lessor's option, applied by the Lessor toward payment of any of such obligations of the Lessee at the time due hereunder or under the Participation Agreement as the Lessor may elect. At such time as there shall not be continuing any Default or Event of Default, all such amounts at the time held by the Lessor in excess of the amount, if any, which the Lessor shall have elected to apply as above provided shall be paid to the Lessee.

9.6 Certificates, Etc. The Lessee will during the Lease Term and the storage period referred to in Section 2.2(d) furnish to the Lessor, the Noteholders and the Indenture Trustee, evidence (including certified copies of policies if requested) of renewal or replacement of the insurance policies required pursuant to this Article 9 prior to the cancellation, lapse or expiration of such insurance policies and, on the renewal dates of the insurance policies carried by the Lessee pursuant to this Article 9, a certificate of Lessee's insurance broker describing in reasonable detail the insurance carried by the Lessee to comply with this Article 9, the primary and excess insurance carriers and their respective percentage interests, and an Officer's Certificate from the Lessee stating that the insurance then carried and maintained on the Equipment complies with the terms hereof.

9.7. Additional Insurance. Nothing contained herein shall prevent the Lessee, the Lessor, any Owner Participant, the Indenture Trustee or any Noteholder from carrying at its own expense additional insurance in excess of or in addition to that required hereunder; provided that no such insurance may be obtained which would limit or otherwise adversely affect the coverage or payment of any insurance required to be maintained pursuant to this Article 9 or prevent the payment of a policy premium which, if not paid by the Lessee, would invalidate the required coverage.

ARTICLE 10

EVENT OF LOSS; DAMAGE

10.1. Event of Loss with Respect to Equipment. Upon the occurrence of an Event of Loss with respect to the Equipment,

the Lessee shall give the Lessor prompt (and in any event within five days after such occurrence) written notice thereof and shall, within 30 days of such Event of Loss, elect by written notice to the Lessor either to make payment to the Lessor or to substitute equipment for the items of Equipment subject to such Event of Loss as provided, respectively, in paragraphs (a) and (b) below (failure by the Lessee to make such election within said 30 days being deemed to be an election of alternative (a)).

(a) If the Lessee shall elect to make payment to the Lessor, it shall, not later than the earlier of (x) the Stipulated Loss Value Date next following receipt of insurance proceeds in respect of such Event of Loss and (y) the Stipulated Loss Value Date next following the date which is 45 days following such Event of Loss, pay or cause to be paid to the Lessor (m) any payment of Basic Rent or Renewal Rent due and payable on such Stipulated Loss Value Date and (n) the Stipulated Loss Value for the item of Equipment, computed as of such Stipulated Loss Value Date (provided that if the Event of Loss occurs prior to a Rent Payment Date and the Stipulated Loss Value Date on which payment occurs is after an intervening Rent Payment Date, then the Basic Rent payable on such Rent Payment Date shall be payable as if the Equipment in respect of which the Stipulated Loss Value is payable had not been subject to an Event of Loss), it being understood that in the event the Lessee shall be required to pay, and shall pay, Stipulated Loss Value pursuant to Section 13(a), or liquidated damages pursuant to Sections 13(c) or 13(d) and any interest thereon, then, to the extent of such payment and giving proper effect to the timing of such payment, the Lessee's obligation to pay Stipulated Loss Value thereon pursuant to this Section 10.1(a) shall be reduced.

At such time as the Lessor, or (so long as Notes shall be outstanding) the Noteholders and the Lessor, shall have received the Stipulated Loss Value specified above, together with all other amounts then due and payable hereunder and under the Participation Agreement, (A) the obligation of the Lessee to pay Basic Rent or Renewal Rent hereunder with respect to the Equipment subject to the Event of Loss which would otherwise become due and payable after, but not on or before, the date of such Event of Loss, shall terminate, provided that if a Rent Payment Date shall occur after the date of such Event of Loss but prior to the date of such payment, the Lessee shall pay on such Rent Payment Date the Basic Rent or Renewal Rent that would have been due on such Rent Payment Date if such Event of Loss had not occurred, (B) the Lease Term shall end as to the Equipment subject to such Event of Loss and (C) the Lessor shall Transfer to the Lessee or as the Lessee shall direct, subject to the rights of any insurer: (1) the items of

Equipment which were subject to such Event of Loss; and (2) all claims, if any, arising from such Event of Loss against third parties for damage to or loss of the Equipment which was subject to such Event of Loss. Upon such Transfer, the Equipment which is subject to such Transfer shall cease to be an item of Equipment hereunder. The net proceeds of all such claims against third parties arising from such Event of Loss, if any, after payment of the Lessor's and Lessee's out-of-pocket costs and expenses shall be applied in the same manner as the proceeds of insurance are applied pursuant to Section 9.3(a).

(b) Upon the occurrence of an Event of Loss with respect to any item of Equipment (the "Destroyed Equipment"), if no Event of Default (or any event, other than an event described in Section 12(e), which would constitute an Event of Default but for lapse of time or the giving of notice or both) shall have occurred and be continuing, the Lessee may elect, by written notice to the Lessor and (so long as Notes shall be outstanding) the Indenture Trustee given within 60 days after the date of such Event of Loss, to substitute equipment for such Destroyed Equipment as provided in this Section 10.1(b) and Section 10.2, in which case the Lessee shall have no obligation to make any payment pursuant to Section 10.1(a) with respect to such Destroyed Equipment; provided, however, the Lessee shall not have the option to substitute equipment if such substitution would constitute a Disqualifying Event. If the Lessee shall so elect to substitute, it shall within 120 days after the date of such Event of Loss convey to the Lessor substitute equipment substantially similar to the Destroyed Equipment (i) consisting of coaches compatible with the Destroyed Equipment and manufactured in 1987 or thereafter by (a) the Manufacturer, (b) a single manufacturer other than the Manufacturer, or (c) with the consent of Lessor, by any other manufacturer and (ii) having a fair market sales value, residual value and estimated useful life at least equal to the fair market sales value, residual value and estimated useful life of, and being in as good operating condition as, the Destroyed Equipment immediately prior to the occurrence of such Event of Loss assuming that the Destroyed Equipment was at that time in the condition and repair required to be maintained hereunder.

Upon full compliance by the Lessee with the terms of Sections 10.1(b) and 10.2 and if no Default or Event of Default shall have occurred and be continuing, the Lessor shall Transfer to the Lessee or as the Lessee shall direct, subject to the rights of any insurer: (i) the Destroyed Equipment and (ii) all claims, if any, arising from such Event of Loss against third parties for damage to or loss of the Destroyed

Equipment. Upon such Transfer, the Destroyed Equipment shall cease to be an item of Equipment hereunder.

10.2. Documents Required in Connection with Substitution.
At the time of any substitution for any item of Equipment pursuant to Section 10.1(b), the Lessee will deliver at its own expense to the Lessor and (so long as Notes shall be outstanding) the Indenture Trustee the following and the following conditions precedent shall be satisfied:

(a) an Officer's Certificate stating (A) the model numbers of the replacement item of Equipment (the "Substitute Equipment") and the name of the manufacturer of the Substitute Equipment, (B) that the Substitute Equipment is in good operating condition and repair, is of a type substantially similar to the Destroyed Equipment and meets the applicable useful life and value requirements and the other requirements of Section 10.1(b), (C) that all conditions precedent provided for in Section 10.1(b) relating to such substitution have been complied with, (D) that there exists no Default or Event of Default other than a Default described in Section 12(e), (E) that the Lessor has valid and legal title to, and is the owner of, such Substitute Equipment free and clear of all Liens other than Permitted Liens, and (F) that all necessary approvals, authorizations, consents, licenses, certificates and orders have been obtained, and such approvals, authorizations, consents, licenses, certificates or orders are in full force and effect and constitute sufficient authorization therefor;

(b) a bill of sale in form and substance reasonably satisfactory to the Lessor, containing full warranties as to title (original executed copy for the Lessor only);

(c) a Lease Supplement and a Trust Indenture Supplement in form and substance reasonably satisfactory to the Lessor and the Indenture Trustee;

(d) with respect to Destroyed Equipment, a certificate of an independent expert satisfactory to the Lessor stating (A) the fair market sales value, residual value and estimated useful life of the Destroyed Equipment immediately preceding the occurrence of the Event of Loss assuming that the Destroyed Equipment at that time had been maintained in the condition and repair required by this Lease and (B) the fair market sales value, residual value and estimated useful life of the Substitute Equipment;

(e) an opinion of counsel of the Lessee reasonably satisfactory to the Lessor (and, so long as any Notes are

outstanding, the Indenture Trustee) with respect to such bill of sale, Lease Supplement and Trust Indenture Supplement and, if the Indenture is not then defeased, the Lien of the Indenture, such opinion in each case to be in form and substance reasonably satisfactory to the Lessor;

(f) a written report of an insurance broker confirming the maintenance of insurance with respect to the Substitute Equipment sufficient to comply with Article 9;

(g) an assignment to the Lessor of all assignable rights, warranties and representations with respect to the Substitute Equipment; and

(h) filings with respect to the Substitute Equipment of the type required by Section 8.1(b) of the Participation Agreement.

10.3. Application of Payments from Governmental Authorities for Requisition of Title. Any payments (other than insurance proceeds the application of which is provided for in Article 9) received at any time by the Lessor or the Lessee from any governmental authority or other Person with respect to an Event of Loss resulting from the condemnation, confiscation, theft, disappearance or seizure of, or requisition of title to or use of any item of Equipment shall be applied as follows:

(a) unless such items of Equipment are replaced pursuant to Section 10.1(b), so much of such payments as shall not exceed the amounts due under clauses (i) and (ii) of Section 10.1(a) shall be applied in reduction of the Lessee's obligation to pay such amounts, if not already paid by the Lessee, or, if already paid by the Lessee, shall be applied to reimburse the Lessee for its payment of such amounts, and the balance, if any, of such payment remaining thereafter will be paid over to or retained by the Lessor; provided that the Lessee shall be entitled to receive so much of such balance as the Lessee shall demonstrate to the Lessor's reasonable satisfaction is allocable to loss of the Lessee's interest hereunder in such items of Equipment; or

(b) if such items of Equipment are replaced pursuant to Section 10.1(b), such payments shall be paid over to or retained by the Lessee, provided that the Lessee shall have fully performed or, concurrently therewith will fully perform, the terms of Section 10.1(b).

10.4. Application of Payment During Existence of Event of Default. Any amount referred to in Section 10.3 which is payable to the Lessee shall not be paid to the Lessee, or, if

it has previously been paid to the Lessee, shall not be retained by the Lessee, if at the time of such payment a Default or an Event of Default shall have occurred and be continuing. In such event all such amounts shall be paid to and held by the Lessor as security for the obligations of the Lessee to make payments under the Participation Agreement or to pay Rent hereunder or, at the Lessor's option, applied by the Lessor toward payment of any of such obligations of the Lessee at the time due hereunder or under the Participation Agreement as the Lessor may elect. At such time as there shall not be continuing any Event of Default or Default, all such amounts at the time held by the Lessor in excess of the amount, if any, which the Lessor shall have elected to apply as above provided shall be paid to the Lessee.

ARTICLE 11

ASSIGNMENTS

As provided in the Participation Agreement, the Lessor will assign, and create a security interest in, all of its rights hereunder as provided in the Indenture to, and for the benefit of, the Indenture Trustee. Except as contemplated by the Participation Agreement, the Indenture or the final sentence of Section 21.8, this Lease shall not be assignable in whole or in part by the Lessor to any Person other than the Indenture Trustee without the consent of the Lessee (which consent shall not be unreasonably withheld) and the Indenture Trustee; provided, that, in each case where this Lease is assigned, the transferee shall be domiciled in the United States and shall assume all of the obligations of Lessor under this Lease. To the extent, if any, that this Lease constitutes chattel paper (as such term is defined in the Uniform Commercial Code as in effect in any applicable jurisdiction), no security interest in this Lease may be created through the Transfer or possession of any counterpart other than the original executed counterpart, which shall be identified as the counterpart containing the receipt therefor executed by the Indenture Trustee on the signature page thereof.

ARTICLE 12

EVENTS OF DEFAULT

The following events shall constitute Events of Default (whether any such event shall be voluntary or involuntary or come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) any payment of Basic Rent, Renewal Rent or Stipulated Loss Value shall not be paid by the Lessee within 10 days after the same shall become due; or

(b) any other payment of Rent shall not be paid by the Lessee within 15 days after the same shall become due; or

(c) any indemnity payment to the Lessor, the Indenture Trustee or any Participant in accordance with Section 8.2 or 8.3 of the Participation Agreement or the Tax Indemnity Agreement shall not be paid by the Lessee when due and such nonpayment shall continue unremedied for a period of 30 days after written notice thereof by the Lessor or, so long as Notes shall be outstanding, the Indenture Trustee to the Lessee; or

(d) insurance on the Equipment shall not be carried or maintained in compliance with the provisions of Article 9 or such insurance is cancelled (and not previously or contemporaneously replaced) for any reason whatsoever, or the Equipment shall be operated or located in any area or on any route or in any manner excluded from coverage by any insurance required by the terms of Article 9; or

(e) the Lessee shall fail to perform or observe any other covenant or agreement to be performed or observed by it hereunder and any such failure shall continue unremedied for a period of 30 days after written notice thereof to Lessee by Lessor and, so long as Notes shall be outstanding, the Indenture Trustee, provided, that if such failure can be remedied but not within such 30-day period and the Lessee is taking all such action as the Lessor and the Indenture Trustee deem appropriate and necessary to remedy such failure, such period shall be extended for such longer period as may be reasonably necessary up to an additional 90 days; or

(f) any representation or warranty made by the Lessee herein, in the Participation Agreement, in any other Operative Document (excluding only the Tax Indemnity Agreement) or agreement entered into by it in connection with the Overall Transaction or in any document or certificate furnished by the Lessee pursuant to any such agreements, documents or certificates shall prove to be incorrect as of the date made in any material respect and, except in the case of representations or warranties made as of the Delivery Date, the condition which made such representation or warranty incorrect if remediable shall continue unremedied for a period of 30 days after written

notice thereof by the Lessor or, so long as Notes shall be outstanding, the Indenture Trustee to the Lessee; or

(g) a receiver, liquidator or trustee for the Lessee or for all or substantially all of the properties or assets of the Lessee shall be appointed by court or governmental order and such order shall remain in effect for more than 90 days; or

(h) the Lessee shall file a petition in voluntary bankruptcy or the Lessee shall otherwise request protection under any provision of any bankruptcy or insolvency law (as now or hereafter in effect), or expressly consent to the filing of any petition against it under any such law, or make an assignment for the benefit of its creditors, or expressly consent to the appointment of a receiver, trustee or liquidator of it or of all or substantially all of its properties or assets; or

(i) a petition against the Lessee in a proceeding or case under any bankruptcy laws or other insolvency laws (as now or hereafter in effect) shall be filed and shall not be withdrawn or dismissed within 90 days thereafter, or, in case the approval of such petition by a court of competent jurisdiction is required, the petition as filed or amended shall be approved by such a court as properly filed and such approval shall not be withdrawn or the proceeding dismissed within 90 days thereafter, or a decree or order for relief in respect of the Lessee shall be entered by a court of competent jurisdiction in an involuntary case under the Federal bankruptcy laws, as now or hereafter constituted, or any other similar law, as now or hereafter constituted, and such decree or order shall remain in effect and unstayed for a period of 90 days, or if, under the provisions of any law providing for reorganization or winding-up of corporations which may apply to the Lessee, any court of competent jurisdiction shall assume jurisdiction, custody or control of the Lessee or of any substantial part of its property and such jurisdiction, custody or control shall remain in force unrelinquished, unstayed or unterminated for a period of 60 days; or

(j) final judgment for the payment of money in excess of \$10,000,000 or final judgments which in the aggregate exceed \$25,000,000 shall be rendered against the Lessee and the same shall remain undischarged for a period of 90 days during which execution of such judgment shall not be effectively stayed; or

(k) if for any reason any material provision of this Lease Agreement or the Participation Agreement obligating

the Lessee shall not be in full force and effect in accordance with its terms or shall cease to be the lawful, valid and binding obligations of the Lessee; or

(1) if for any reason the Contract for Financial Assistance shall cease to be the lawful, valid and binding obligation of the Commonwealth, the benefits to the Lessee contemplated thereunder cease to be effective, or the Contract Assistance Provisions are substantially modified or repudiated by the Commonwealth so as materially adversely to affect the benefits the Lessor derives from such Contract Assistance Provisions.

For purposes of Section 12(e), a failure to perform or observe a covenant or agreement is capable of being remedied if, in the reasonable opinion of the Lessor and, so long as the Notes shall be outstanding, the Indenture Trustee, the condition that caused such failure can be removed or rectified, compliance with the covenant or agreement can be effected and any adverse consequences caused by such failure can be cured to the reasonable satisfaction of each Person entitled to enforce such covenant or agreement. For purposes of Section 12(f), an incorrect representation or warranty is capable of being remedied if the condition that made the representation or warranty incorrect can, in the reasonable opinion of the Lessor or, so long as the Notes are outstanding, the Indenture Trustee, be removed or rectified and the Lessor and, so long as the Notes shall be outstanding, the representation or warranty corrected.

ARTICLE 13

REMEDIES

Upon the occurrence of any Event of Default and at any time thereafter so long as the same shall be continuing, the Lessor may, at its option, declare by notice to the Lessee this Lease Agreement to be in default, and at any time thereafter so long as all outstanding Events of Default shall not have been remedied the Lessor may, in addition to any other remedies provided herein, exercise any one or more of the following remedies with respect to any or all of the Equipment as the Lessor in its sole discretion shall elect (subject to the penultimate paragraph of this Article 13):

(a) The Lessor, by notice to the Lessee specifying a payment date not earlier than 10 days, and not more than 30 days, from the date of such notice, may require the Lessee to pay to the Lessor, and the Lessee hereby agrees that it will pay to the Lessor, on the payment date specified in

such notice, as liquidated damages for loss of a bargain, and not as a penalty, and in lieu of any further payments of Basic Rent and Renewal Rent hereunder, an amount equal to the sum of (i) all unpaid Basic Rent and Renewal Rent payable on each Rent Payment Date occurring on or before the payment date specified in such notice, plus (ii) an amount equal to the Stipulated Loss Value for any or all of the Equipment as the Lessor in its sole discretion shall elect calculated as of the Stipulated Loss Value Date next following the payment date specified in such notice (unless such payment date shall be a Stipulated Loss Value Date, in which case Stipulated Loss Value shall be computed as of such Stipulated Loss Value Date); and upon such payment of liquidated damages and all other amounts then due and payable by the Lessee hereunder or under the Participation Agreement, the Lessor shall Transfer such Equipment to the Lessee and the Lessor shall execute and deliver such documents evidencing such transfer as the Lessee shall reasonably request.

(b) Upon demand, the Lessor may cause the Lessee at the Lessee's expense to, and the Lessee hereby agrees that it will, promptly redeliver or cause to be redelivered, the Equipment to the Lessor with all reasonable dispatch and in the same manner and in the same condition as if the Equipment were being redelivered at the expiration of the Lease Term in accordance with all of the provisions of Section 2.2, and all the provisions of said Section shall apply to such redelivery; or the Lessor or its agent, at the Lessor's option, without further notice, may, but shall be under no obligation to, retake the Equipment wheresoever found and irrespective of whether the Lessee or any other Person may be in possession of the Equipment, all without prior demand and without legal process, and for that purpose the Lessor or its agent may enter any place where the Equipment may be and may take possession thereof, without the Lessor or its agent incurring any liability by reason of such retaking or otherwise.

(c) The Lessor or its agent may sell the Equipment at public or private sale, as the Lessor may determine, or otherwise may dispose of, hold, use, operate, lease (whether for a period greater or less than the balance of what would have been the Basic Term or the Renewal Term, as the case may be) to others or keep idle the Equipment, all on such terms and conditions and at such place or places as the Lessor may determine and all free and clear of any rights of the Lessee and of any claim of the Lessee, in equity, at law or by statute, whether for loss or damage or otherwise, and without any duty to account to the Lessee, provided, that (i) if the Lessor or its agent shall sell

the Equipment, the Lessee's obligation to pay Basic Rent and Renewal Rent with respect to the Equipment for any period after the date of such sale shall terminate and the Equipment shall cease to be subject to this Lease from and after the date of such sale, and (ii) the Lessee's obligation to pay Basic Rent and Renewal Rent for any period after the Lessee shall have been deprived of possession of the Equipment pursuant to this Article 13 shall be reduced by the net proceeds, if any, received by the Lessor from leasing the Equipment to, or otherwise permitting its use by, any Person other than the Lessee for all or any portion of such period. In the event the Lessor shall have sold the Equipment pursuant to this Section 13(c) (and prior thereto shall not have exercised its rights under Section 13(d)), the Lessor may demand that the Lessee pay the Lessor and the Lessee shall pay to the Lessor, as liquidated damages for the loss of a bargain and not as a penalty (in lieu of all Basic Rent and Renewal Rent due after the date on which such sale occurs or, if such sale occurs on a Rent Payment Date, in lieu of all Basic Rent and Renewal Rent due after such Rent Payment Date), any unpaid Basic Rent and Renewal Rent due on or before the date on which such sale occurs plus the amount of any difference between the net proceeds of such sale paid to the Lessor and the Stipulated Loss Value, computed as of the Stipulated Loss Value Date next following the date on which such sale occurs, unless such sale occurs on a Stipulated Loss Value Date, in which case Stipulated Loss Value shall be computed as of such Stipulated Loss Value Date.

(d) Whether or not the Lessor shall have exercised, or shall thereafter at any time exercise, any of its rights under Sections 13(b) or 13(c) (other than a sale under Section 13(c)), the Lessor may, at any time prior to the time that the Equipment shall have been sold by the Lessor pursuant to Section 13(c), by written notice to the Lessee requesting that the fair market sales value (as that term is defined in Section 2.4) of the Equipment be determined, demand that the Lessee pay to the Lessor, and the Lessee shall pay to the Lessor on the first Rent Payment Date occurring at least 10 days after the determination of such fair market sales value (herein called the "Designated Payment Date"), as liquidated damages for loss of a bargain and not as a penalty (in lieu of all payments of Basic Rent or Renewal Rent becoming due after the Designated Payment Date), any unpaid Basic Rent or Renewal Rent due on or before the Designated Payment Date plus an amount equal to the excess, if any, of the Stipulated Loss Value for the Equipment as of the Designated Payment Date over the fair

market sales value of the Equipment (as defined in Section 2.4 and computed in accordance with Section 2.6 as of such date).

(e) The Lessor may rescind this Lease as to the Equipment, exercise any other right or remedy which may be available under applicable law or proceed by appropriate court action to enforce the terms hereof or to recover damages for the breach hereof.

In any and all events, the Lessee shall be liable for any and all Supplemental Rent payable hereunder and all amounts payable by the Lessee under the Participation Agreement before, during or after the exercise of any of the foregoing remedies and also for all legal fees and any other costs and expenses whatsoever incurred by the Lessor, the Indenture Trustee or the Noteholders by reason of the occurrence of any Event of Default or by reason of the exercise by the Lessor, the Indenture Trustee or the Noteholders of any remedy hereunder in connection with any Event of Default including, without limitation, any costs and expenses incurred by the Lessor, the Indenture Trustee or the Noteholders in connection with any retaking of the Equipment or, upon the redelivery or retaking of the Equipment in accordance with this Article 13, the placing of the Equipment in the condition required by and otherwise complying with the terms of Section 2.2.

No remedy referred to in this Article 13 is intended to be exclusive, but each shall be cumulative and is in addition to, and may be exercised concurrently with, any other remedy which is referred to in this Article 13 or which may otherwise be available to the Lessor at law or in equity. There shall be deducted from the aggregate amount recoverable by the Lessor pursuant to this Article 13 the net balance, if any, remaining of any monies held by the Lessor (or the Indenture Trustee) pursuant to Sections 9.5 and 10.4 which would have been required by the terms of this Lease to have been paid to the Lessee but for the occurrence of an Event of Default. No express or implied waiver by the Lessor of any Event of Default shall in any way be, or be construed to be, a waiver of any further or subsequent Event of Default.

At any public or private sale of an item of Equipment pursuant to this Article 13, the Lessor or any Participant may bid for and purchase such property.

ARTICLE 14

INSPECTION; NOTICE OF DEFAULT; RECORDATION

14.1. Inspection. At all reasonable times during the continuation of this Lease, the Lessee shall furnish to the Lessor and the Owner Participants and (so long as Notes shall be outstanding) the Indenture Trustee and the Noteholders such additional information concerning the location, condition, use and operation of the Equipment as such Person may reasonably request. Additionally, the Lessee shall permit the authorized representatives of the Lessor and the Owner Participants and (so long as Notes shall be outstanding) the Indenture Trustee and the Noteholders: (a) at such Person's expense, to visit and inspect any item of Equipment, its condition, use and operation and the inspection, maintenance, modification, overhaul and other records maintained in connection therewith; (b) at the Lessor's expense, to obtain copies of all such records as the Lessor, any Owner Participant the Indenture Trustee or any Noteholder may reasonably specify; and (c) to discuss the finances and accounts of the Lessee, as the same may affect the performance by the Lessee of its obligations hereunder, with the financial officers and the independent accountants of the Lessee, provided that such visits, inspections and discussions do not unreasonably interfere with the operations of the Lessee and are done at such reasonable times as such Person may request, except that Lessee shall in any event make such Equipment and records available for inspection within five Business Days of the Lessor's request. None of the Lessor, the Indenture Trustee or the Participants shall have any duty to make any such inspection nor shall any of them incur any liability or obligation by reason of making or not making any such inspection.

14.2. Notice of Event of Default. Promptly after Lessee has Actual Knowledge of the occurrence or existence of a Default or an Event of Default, the Lessee shall so notify the Lessor and (so long as Notes shall be outstanding) the Indenture Trustee and each Participant, which notice shall set forth in reasonable detail the circumstances surrounding such Event of Default or Default and shall specify what actions the Lessee intends to take to cure such Event of Default or such Default. The Lessee shall furnish the Lessor and (so long as Notes shall be outstanding) the Indenture Trustee within 60 days after the end of the sixth month of and the close of each fiscal year of the Lessee an Officer's Certificate stating that no Event of Default or Default has occurred during such six-month period and is continuing as of the date of such certificate, or if any such Event of Default or Default shall have occurred and be continuing, setting forth in reasonable detail the circumstances surrounding each such Event of Default

or Default; provided that the failure of the Lessee to timely furnish such Officer's Certificate shall not constitute an Event of Default hereunder unless the Lessee shall fail to furnish such Certificate within 20 days after (i) the Lessee receives written notice of such failure from any Person or (ii) the Lessee has Actual Knowledge thereof.

14.3. Recordation. Forthwith upon the execution and delivery of a Lease Supplement and of a Trust Indenture Supplement, the Lessee will cooperate with the Lessor to cause such Supplements to be duly filed and recorded as directed by the Lessor and the Indenture Trustee and will also cooperate with the Lessor to cause this Lease Agreement and the Indenture to be duly filed and recorded as directed by the Lessor and the Indenture Trustee, in each case as may be required by Applicable Law.

ARTICLE 21

AMENDMENTS; MISCELLANEOUS

21.1. Amendments and Waivers. Neither the terms of this Lease nor the definition of any capitalized term used herein which is defined in, or by reference in, Schedule X, as such capitalized term is used herein, shall be altered, modified, amended or supplemented, nor shall this Lease or any other terms hereof be waived or terminated, in any manner whatsoever except by written instrument signed by the party against which the enforcement of such alteration, modification, amendment, supplement, waiver or termination is sought and, so long as any Notes are outstanding, the Indenture Trustee; nor, so long as any Notes are outstanding, shall any remedy or election be exercised hereunder nor any consent given hereunder without the written consent of the Indenture Trustee. No amendment to Schedule X attached hereto shall become effective until a corresponding amendment is made to Schedule X attached to the Indenture or until the parties to the Indenture shall have waived this condition in writing with respect to such amendment.

21.2. Investment of Security Funds. Any moneys required to be paid to or retained by the Lessor which are required to be paid to the Lessee pursuant to Article 9 or 10 after completion of a replacement to be made pursuant to Section 10.1(b) shall, until paid to the Lessee as provided in Article 9 or 10, be invested (on a reasonable efforts basis) by the Lessor from time to time as directed in writing by the Lessee and at the risk and expense of the Lessee in Authorized Investments. The Lessor shall bear no responsibility for any losses incurred on

such investments. The Lessee will promptly pay to the Lessor, on demand, the amount of any net loss realized as the result of any such investment (together with any fees, commissions and other expenses, if any, incurred in connection with such investment). At the time of payment to the Lessee pursuant to Article 9 or 10 of moneys invested by the Lessor pursuant to this Article there shall be promptly remitted to the Lessee any gain (including interest received) realized as the result of any such investment (net of any fees, commissions and other expenses, if any, incurred in connection with such investment).

If any Rent Payment Date or any other date on which any payment is required to be made under this Lease shall not be a Business Day, such payment may be made on the next succeeding Business Day with the same force and effect as if made on such day, and no interest or Supplemental Rent shall accrue by reason of such deferral of payment.

21.6. Security for Lessor's Obligations to Holders of Notes. In order to secure the indebtedness evidenced by the Notes, the Lessor provides in the Indenture, among other things, for the assignment by the Lessor to the Indenture Trustee of this Lease and the Lease Supplements and for the creation of a first mortgage and security interest in favor of the Indenture Trustee on the Equipment. The Lessee acknowledges the existence of, approves of and consents to such assignment, and the Lessee acknowledges receipt of a copy of the Indenture.

21.7. Counterparts. This Lease may be executed in any number of counterparts and by any of the parties hereto on separate counterparts, all of which together shall constitute but one and the same instrument.

21.8. No Recourse. The Lessor is entering into this Lease solely as owner trustee under the Owner Trust Agreement and not in its individual capacity and in no case whatsoever shall the Bank or any Owner Participant be personally liable on, or for any loss in respect of, any of the representations, warranties, agreements or obligations of the Lessor hereunder as to all of which the parties hereto agree to look solely to the Owner Estate, except that the Bank shall be personally liable to the

extent specified in Section 10(b) of the Participation Agreement. If, in accordance with the terms of the Owner Trust Agreement, a successor owner trustee is appointed, such successor owner trustee shall, without any further act, succeed to all of the rights, duties, immunities, liabilities and obligations of the Lessor hereunder and the predecessor owner trustee shall be released from all further duties and obligations hereunder.

ARTICLE 22

LEASE SUPPLEMENT

This Lease Supplement is dated December 30, 1987, and is between The Connecticut National Bank, a national banking association, acting hereunder not in its individual capacity but solely as owner trustee under the Owner Trust Agreement (the "Lessor"), and Massachusetts Bay Transportation Authority, a body politic and corporate and a political subdivision of The Commonwealth of Massachusetts (the "Lessee").

The Lessor and the Lessee have heretofore entered into the Lease Agreement, dated as of December 29, 1987 (the "Lease Agreement" and defined terms therein being hereinafter used with the same meanings).

NOW, THEREFORE, in consideration of the premises and other good and sufficient consideration, the Lessor and the Lessee hereto agree as follows:

1. The Lessor hereby delivers and leases to the Lessee under the Lease Agreement, and the Lessee hereby accepts and leases from the Lessor under the Lease Agreement, the items of Equipment described in the attached Annex 1.

2. The Lessee hereby confirms its agreement to pay the Lessor Interim Rent for such items of Equipment for the Interim Term and Basic Rent for such items of Equipment throughout the Basic Term in accordance with Article 8 of the Lease Agreement. Lessor's Purchase Price for such items of Equipment is \$32,709,669.

3. All of the terms and provisions of the Lease Agreement are hereby incorporated by reference in this Lease Supplement to the same extent as if fully set forth herein.

4. The Delivery Date of such items of Equipment is the date of this Lease Supplement.

5. The Interim Term for such items of Equipment shall commence on the Delivery Date and shall terminate on December 31, 1987 and the Basic Term shall commence January 1, 1988 and shall terminate on December 31, 2012.

6. This Lease Supplement is being delivered in The Commonwealth of Massachusetts and shall be governed by, and construed in accordance with, the laws of The Commonwealth of Massachusetts, including, without limitation, all matters of construction, validity and performance.

7. The Lessee hereby confirms to the Lessor that such items of Equipment have been duly marked in accordance with the terms of Section 4.1 of the Lease Agreement and that the Lessee has accepted such items of Equipment for all purposes hereof and of the Lease Agreement as being in accordance with specifications, in good working order and repair and without defect or inherent vice in title, condition, design, operation or fitness for use, whether or not discoverable by the Lessee as of the date hereof, and free and clear of all liens or encumbrances and claims of others except such liens and encumbrances which may result from claims against the Lessor not related to the ownership of such items of Equipment and except the first mortgage lien and security interest on such items of Equipment in favor of the Indenture Trustee created pursuant to the Indenture; provided, however, that nothing contained herein or in the Lease Agreement shall in any way diminish or otherwise affect any right the Lessee or the Lessor may have with respect to such items of Equipment against the Manufacturer or any subcontractor of the Manufacturer under the Purchase Agreement or the Purchase Agreement Assignment or otherwise.

8. The Lessee acknowledges the existence of, approves of and consents to the assignment by the Lessor to the Indenture Trustee of this Lease Supplement pursuant to the Indenture.
